DETAILED ACTION

Allowable Subject Matter

Claims 1-4, 6-28, 30, and 32-37 allowed.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: After review, it is apparent that the closest reasonable art to the instant application does not substantially disclose a rotatable platform for the base block of an MR imaging apparatus which includes a base plate and upper supporting pate allowing for rotational movement of the MR apparatus itself and also in consort with a patient table rotationally attached to an upper structure of the MR apparatus. Furthermore, the closest reasonable prior art to the instant application does not disclose a multi-table MR apparatus including diametrically opposite guides for rotationally positioning multiple tables.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
